

NEW VISIONS/NEW MEXICO PANAVISION AWARD 2008

For New Visions/New Mexico 2008, Panavision has provided two prizes, each an in-kind donation toward the rental of motion picture camera equipment (HD, 16mm or 35mm), with a rental value of up to \$10,000.00 per prize. Winners will work directly with Panavision representatives to schedule the package, and they recommend planning to prep it at their facilities in Dallas to make sure you have everything you need.

The following will be taken into consideration when you schedule the use of the equipment:

- An account application must be filled out and submitted along with a signed copy of Panavision's terms and conditions.
- Equipment is scheduled to availability.
- The camera can be 16mm or 35mm or HD, again depending on availability.
- Equipment must be insured at replacement value from the time it leaves the premises, until its return.
- Although the equipment is an in-kind donation, a deposit is required at the time of the prep for missing parts and damages equal to the deductible on your certificate of insurance.
- Equipment can only be exercised through the Dallas office.
- Expendable items are not in-kind donations but can be purchased through Panastore.
- Production must provide qualified camera technicians to operate equipment.
- Anamorphic lenses and 3 perf movements are not included as part of the grant.
- Equipment rented but not owned by Panavision does not qualify as part of the equipment grant.
- If the overall price of the rental exceeds \$10,000, the production will be liable for the additional costs. A certified check will be required at the time of pick-up for that additional amount. **This grant will also not cover hard costs such as shipping.**
